“ Carol's mother lived next door to me in Winterville,NC until about a year ago. She visited her mother frequently. She always wore a beautiful smile and her heart was filled with a sweet sweet spirit. She was a fabulous cook and I had the pleasure of enjoying some of her cooking from time to time. She was loved by all who knew her and I will never forget that she taught me how to make beautiful bows. She was truly a lady of many talents and will be missed by many. She comes from a fine family that I have truly missed since her mother moved to Ayden, NC. Her family has been in my prayers asking God to comfort them as they grieve the loss of Carol. RIP Carol.

Blessings and prayers for her family,

“ I'd like to thank everyone on behalf of my family that came out tonight to our mother's visitation. You were all greatly loved. With her warm smile and loving hugs, I hope you felt at least half as cherished as you all were by mom. Thank you all for your love and support.

“ Carol and I worked together at ENA. I am so thankful that the Lord allowed our paths to cross. Her smile was contagious. She was always so full of life. Carol left on this earth a legacy of love. Her deep compassion for her family touched my heart. Even though the pain, this sweet lady's light shined within her beautiful soul. I will miss you dearly my friend. You have set a high standard for us here left on this earth. You will be in all of our hearts each day until we all shall see you again on that great day when Jesus reunites us all. Rest in peace my sweet friend and be assured you will be greatly missed!

Love my friend,

“ Christina, we are so sorry for your loss, but it is Heaven's gain. The photos of your mom in her memory chest are special and help us to know your mother a bit better. We enjoyed our time with your mom and dad at your wedding. That was a special time for you and Jason. Carol seemed to enjoy our times together at the wedding. You and your family are in our prayers.

Love,
Debbie and Randy Fisher

“ Carol and I became friends when her family moved to North Carolina. We went to church and school together. I used to love to go to her family's house to just visit. She was always such a joy to be around. She was always smiling or laughing. It has been so many years since I have seen her, but I can still hear her laugh in my mind. Carol and her family always treated me and the rest of my family like their own. I loved all of them. There is no doubt in my mind that Carol is in Heaven with her beloved Dad (sweet David Hartman) and they have both been restored to their best health. I can only imagine the wonderful reunion they are having, catching up. She has left this world, carrying the love and memories that she received from her family with her. It is true that she is no longer with her loved ones physically, but she will live in all your hearts forever. She will look down on you all with that beautiful smile always.

I leave Carol's family and friends with this poem:

"I give you this one thought to keep, I am with you still - I do not sleep.

I am a thousand winds that blow. I am the thousand glints on stone, I am the sunlight on ripened grain, I am the gentle autumn rain. When you awaken in the morning's hush,

I am the swift, uplifting rush of quiet birds in circled flight. I am the soft stars that shine at night. Do not think of me as gone, I am with you still - in each new dawn."
